CHRISTOPHER J. LEWIS
Chairman, Board of Directors

Chris became involved in fundraising efforts early in life and has worked on the Muscular Dystrophy Association Labor Day Telethon since 1972. His father, top box office star Jerry Lewis, helped establish the telethon in 1952 that has since raised over \$2 Billion for research and patient care.

Chris spent years handling his father's film and television distribution, and then in 2000 came the opportunity to help create a worldwide wheelchair delivery mission.

Chris helped establish and sustain a humanitarian mission that delivered over 760,000 wheelchairs to people in more than 150 countries. In 2009 Chris formed the American Wheelchair Mission, a partner of the Canadian Wheelchair Foundation in the Global Wheelchair Program alliance, to continue and expand the outreach worldwide.

Chris is a 4th Degree Knight of Columbus, a member of the Rotary Club of Los Angeles and lives in Henderson, Nevada. Chris has served as Chairman of the Board of the Canadian Wheelchair Foundation since its inception in 2003.
