CANADIAN WHEELCHAIR
FOUNDATION
FONDATION CHAISE ROULANTE CANADA

A Global Wheelchair Program Partner

CANADIAN FOUNDATION WHEELCHAIR

MISSION Canadian Wheelchair Foundation / Fondation Chaise Roulante Canada is an independent Canadian registered charity dedicated to:

- raising awareness of the needs and abilities of people with physical disabilities.
- delivering mobility into the lives of those who have no means to acquire a wheelchair.
- transforming lives through mobility, and with it giving freedom, dignity, and hope.

THE NEED It is estimated that more than 100 million people throughout the world are in need of a wheelchair but cannot afford one. The number of physically disabled is regularly underestimated due to the difficulty in accounting for “forgotten” citizens who spend their lives hidden from sight. In many developing countries, the only way for a person with physical disabilities to be mobile is to crawl along the ground or to be carried by family or friends. An all too common reality is that many people stay in bed or in the corner of a room for years at a time, sometimes for the rest of their lives.

MOBILITY AND MORE Mobility creates independence and new opportunity for recipients and their families. We estimate that each wheelchair we deliver impacts the lives of 10 people in a lasting, positive way. Wheelchairs have proven to contribute to furthering sustainable development and creating strong civil society in the many communities in which we have ongoing programs. In gaining mobility, those with disabilities are given the opportunity to rejoin family activities and to reintegrate themselves into society by attending school, going to work, becoming active participants in their communities or just sit outside in the sun.

..dignity
freedom
hope..

ACTION Shipping brand new wheelchairs, valued at \$600 in Canada, in bulk by 100 to 280 wheelchair sea containers allows the Global Wheelchair Program Network to provide a wheelchair to someone in need with the help of our in-country distribution partners for each donation of \$190. They are designed to be highly durable and therefore appropriate for use in developing countries.

ROTARY CLUBS AND ROTARIANS Since March of 2001, individual Rotarians, Interact, Rotaract and Rotary Clubs and Districts have sponsored tens of thousands of wheelchairs to more than 120 countries and have participated in rewarding hands-on World Community Service projects around the globe. Instrumental in the establishment of Canadian

Wheelchair Foundation, Rotarians set the example of “Service Above Self” throughout the world. You can become involved and experience the joy of changing a person's life with the gift of a wheelchair.
